Absent: Jessica Collin-Pilarski (VH), Mark Gehringer (WBT), Larry Breimhurst (VH), Marsha Anderson (AH), Kristy DuBois (VH)

I. Final Preparation for April 18 Earth Day Event at Tamarack Nature Center

Shirts were handed out and Kristine showed the pens and notepads we have had hand outs as well as the posters and other items for the event. Kristy contacted Kristine and told her that the experiments were ready and she would bring them to the Nature Center on Saturday.

II. MN Fishing Opener – May 8 at White Bear Lake

Kristine handed out a sign-up sheet for the event. Kristine will also send out an email asking people to sign up since we will not meet again prior to the event. The current volunteers are listed below:

3-4pm	Kristine	Stephanie	Chris	Cindy
4-5pm	Kristine	Stephanie	Chris	Cindy
5-6pm	Kristine	Stephanie		
6-7pm	Kristine	Stephanie		
7-8pm	Kristine	Stephanie		

Please let Kristine know if you can help out at this event.

III. Raingarden Workshop Update

Those who attended felt the workshop went well. Sue and Cindy feel that it will work well as a videotaped program and feel that it may require 2 filming events: one in the studio with Shawn Tracy and one in the field showing the installation of a raingarden. Sue and Cindy will work together to figure out the logistics further and will report on what our next steps should be. We have a good number of registrants for the May 6th workshop. As of April 22, there are 23 people signed up. It will be at the Vadnais Heights Fire Station Training Room.

IV. Monitoring Program Update

We have gotten volunteers for our 3 new lakes to the program – Black, Deep, and Charley. Additionally, we have secured an access onto Gem Lake for the year.

VI. Date of next meeting – May 21 at 6:30pm at Vadnais Heights City Hall
