VLAWMO Cost Share Program Policy

This policy exists to provide assistance to public and private landowners for implementing programs and projects that support one or more of the following:

- Prevention of flooding or mitigation of drought.
- Water quality improvement or increase in watershed storage capacity.
- Preservation, protection, and restoration of native plant and wildlife communities, especially along lakes, rivers, and wetlands.
- Protection and preservation of groundwater quality and quantity.

Available funds will vary by year. Once the annual amount is depleted, applicants will be advised to reapply the following year.

Eligibility

The following conditions exist to meet eligibility requirements. Cost share grants are available for the following:

- All residents of VLAWMO
- Non-profit and religious organizations in VLAWMO
- Government agencies in VLAWMO
- Business and corporations in VLAWMO
- Public and private schools in VLAWMO

Examples of eligible projects include the following:

- Rain gardens
- Redirect water runoff projects
- Volume reduction and runoff treatment projects
- Solutions for soil erosion and sediment control practices
- Native habitat restoration, especially along lakes, ponds, streams, and wetlands

The following conditions exist to meet eligibility requirements for expenses shared:

- VLAWMO will fund 50% of the cost of materials; up to a \$1000.00 maximum.
- Projects completed or in progress are not eligible.
- A written land management plan and agreement for work to be done must be approved by VLAWMO prior to commencement of work. Such plans and agreements can be very simple in nature, as long as an understanding exists between both parties as to the nature of the work and subsequent inspections and approvals.
- A site visit by VLAWMO staff is required once the project is complete before a reimbursement check is released to the Grantee.
- Grantee must agree to maintain the project area for a minimum of 5 years. The site may be inspected by VLAWMO staff within that time frame to ensure compliance.
- Grantee must complete project and submit reimbursement request within one (1) year from date of grant approval.
