

## RAIN BARREL GRANT APPLICATION

Send completed application to: Lauren Sampedro, Watershed Technician & Program Coordinator  
 800 County Road E East, Vadnais Heights, MN 55127  
*Scanned, completed applications, and proof of purchase may also be  
 emailed to [lauren.sampedro@vlawmo.org](mailto:lauren.sampedro@vlawmo.org)*

Through this grant program, residents or landowners may purchase and receive cost share reimbursement for up to two rain barrels, and applicable installation equipment per grant year. VLAWMO will reimburse up to 50% of the cost, up to \$100 for each rain barrel. The total reimbursement cannot be more than \$200. Copies of receipts of payment for the rain barrels must be submitted to receive reimbursement. Purchased rain barrels must be clearly stated on the receipt as proof of purchase. Proof of purchase may not be more than two years past the day the application is received or postmarked. Reimbursement will be on a first come, first serve basis until the annual funds are exhausted.

Staff determines the materials that qualify as a rain barrel, qualifying cost share percentages, and reimbursement amounts at its discretion. VLAWMO staff reserves the right to inspect rain barrel grant award projects for up to five years after grant approval. Rain barrels that receive VLAWMO funding must stay within VLAWMO's boundary. By signing the below, the grantee agrees and certifies the reimbursement-approved rain barrel will be implemented as a rain water capture device or cistern for its intended purpose, within VLAWMO boundaries. VLAWMO staff reserves the right to deny future grant funding applications, for all grant programs, if these criteria are not met.
