

NOTICE OF MEETING CANCELLATION

VADNAIS LAKE AREA WATER MANAGEMENT ORGANIZATION NOTICE OF SPECIAL MEETING

PLEASE TAKE NOTICE that the special meeting of the Board of Directors of the Vadnais Lake Area Water Management Organization scheduled for November 20, 2024 at 7:00 p.m. in the Council Chambers of the Vadnais Heights City Hall, 800 E County Road E, Vadnais Heights, MN 55127 is **CANCELLED**. The meeting was called to consider and act on the wetland replacement application submitted by Paul Keenan, on behalf of Reuter Walton, to construct an apartment building on the property (PID 333022230056) located at 3400 Arcade Street in the City of Vadnais Heights.

After VLAWMO scheduled the special meeting, a petition was submitted to the Environmental Quality Board (EQB) requesting that an environmental assessment worksheet (EAW) be prepared for the project. The EQB found the petition complies with the applicable requirements and, as a result, Minn. R., part 4410.3100, subp. 1 prohibits a governmental unit (including VLAWMO) from making a final governmental decision on a permit until either the petition is denied or, if approved, until the environmental review process is completed. The EQB forwarded the petition to the City of Vadnais Heights, which is the entity designated to serve as the responsible governmental unit (RGU) for reviewing and acting on the petition. The proposed wetland replacement application will be rescheduled for review and action by the Board of Directors once the RGU either denies the petition or, if it is approved, once the environmental review process is completed.
