

SMART SALTING: PARKING LOT & SIDEWALKS WORKSHOP

Thursday, November 7th
2019
8 am - 1 pm

Who should attend?

Contractors, property managers, city staff, and facilities staff who conduct winter maintenance or work with MS4 permitting. Anyone who is interested in saving money, protecting water, and keeping our sidewalks and parking lots safe.

Training Topics:

- Application Rates & Materials
- Keeping Surfaces Safe
- Equipment Calibration
- Deicing & Anti-icing
- Environmental Effects
- New Maintenance Methods

Training is free and includes lunch

Get Certified:

An optional test is offered at the workshop to earn a Minnesota Pollution Control Agency (MPCA) Level 1 Certification in Snow & Ice Control Best Practices. Certified individuals are listed on the MPCA website.

Location:

Marsden conference Room
1425 Paul Kirkwold Drive
Adren Hills, MN 55112
