PUBLIC NOTICE
OF THE
VADNAIS LAKE AREA WMO
REQUEST FOR PROPOSALS
FOR
ENGINEERING SERVICES

December 30, 2020

Pursuant to Minnesota Statutes Section 103B.227, Subd. 5, the Vadnais Lake Area Water Management Organization (VLAWMO) is soliciting proposals for engineering firm services for calendar years 2021-2022. Proposals must be submitted electronically via PDF format to Phil Belfiori, Administrator, by 4:00 pm on January 22, 2021 and should include background and profile information on the firm, along with specific information as to expertise in WMO and water resource matters, hourly billing rates for 2021 (2022 if available), and names and qualifications of water resource personnel and the amount of time that they are available to do work for the WMO. We ask that submitted proposals are kept to 10 pages.

VLAWMO encompasses over 24 square miles of urban and rural land in Ramsey and Anoka Counties and contains 16 lakes, several ditches, wetlands, and wildlife areas. Functions of the WMO include WCA permitting, impaired waters, ditch & stream maintenance and restoration, water quality management, and water resource projects.

Please find the RFP on vlawmo.org. For further information on VLAWMO operations and the RFP scope of work, you may contact Phil Belfiori, Administrator, by phone (651) 204-6073 and by email at phil.belfiori@vlawmo.org. Thank you and take care.
