Soggy Yard Solutions

Lakeshore Gardening

Healthy Yards

Clean Water

Whether you are an experienced gardener or have never tried gardening before, this eco-friendly workshop will help you learn how to:

- Turn your yard's wet spots into assets, instead of headaches.
- Use beautiful native plants in your garden landscape.
- Adopt healthy yard care practices for you and for our clean waters.
- Find more resources including grants and expert assistance for those extra tough areas

This event is brought to you by your local Watershed Agency:

Vadnaís Lake Area Water Management Organization (VLAWMO)

In partnership with the:

North Oaks Home Owners' Association (NOHOA)

North Oaks Natural Resource Commission
